

General Society of Mayflower Descendants in Iowa *commonly called The Iowa Mayflower Society*
PRELIMINARY REVIEW FORM

This is not an application. This is a preliminary review step for your benefit to see if the Mayflower Society has previously accepted your proposed line. This step is not required but may be able to save you a large amount of work later with your application. The actual application will be more detailed.

Directions for New and Supplemental Applicants: Please fill in the blanks with your proposed line of descent from one Mayflower Pilgrim to yourself. If you know or believe a blood relative has been previously approved for membership in the General Society, please indicate that. Their General Society membership number is helpful but not required.

You are asked to list your direct ancestors and spouses from yourself to a Mayflower passenger. We do not search for your ancestors. We have local volunteers that may be able to help you with your genealogy roadblocks or filling out the actual application documentation.

No fee is needed our preliminary reviews submitted to us for those that intend to join the Iowa Society. For other information and state societies, see www.themayflowersociety.org.

Only one review per person will be processed at a time. If you do not receive an acknowledgement of receipt of your email within 1 week, please re-send. Email is preferred but you may mail to:

Mrs. Pamela Manning, Historian, Iowa Mayflower Society, 231 West Florence Ave., Glenwood, IA 51534
