Constitution – 1996

Article III, Section 1

b. Junior Membership

1. Any member in good standing in the Iowa Society may make application for a junior membership on behalf of any person under eighteen (18) years of age who has prima facie proven lineage. (“Prima facie proven lineage” shall mean that the junior, whose membership if offered, is related to a present or past member of the Society, by blood, through the line through which such member was approved by the General Mayflower Society.)

2. Junior members, between the ages of 18 and 25, may transfer to General Society adult membership by making application for adult membership and paying the entrance fee and annual dues. When approved by the Historian General, state and general numbers will be assigned.

3. To encourage Junior members to join the General Society, the Junior Treasurer will reimburse each Junior member a portion of the fees required to make application, if application is made after age 18 and before their 25th birthday. Reimbursement will be made at the time the Historian General approves the lineage and assigns a General number.

Complete the application and forward with the application fee (\$15.00) to Junior Membership Chair:
